Spiral Two 2024: Course Dates and Details

Spring Equinox, 16 & 17 March 2024: Cycles of Awakening

Standing as our ancestors did, we rise to greet Sol as She initiates the Spring Equinox, as we prepare to begin a brand new cycle. We ignite our power to be awakeners of the Stellar Mysteries, teachers and ritualists of the ancient ways as we begin the second year of training..... **Online students attending in Glastonbury.**

Beltane 27 & 28 April 2024: Cycles of Venus/ Synastry of Love

As we enter the Season of Beltane, we dive deeper into the mysteries of Venus/Inanna's cosmic cycles and She moves through the Solar and Lunar Gateways. We will learn how to cast and read synastry charts, utilising the magic of astrology to heal our relationships, and open our hearts.

Litha 15 & 16 June 2024: Awakening the Star Oracle/Cycles of Prediction

In this circle we will dive into the intuitive side of our psyche to awaken our ability to predict and prophesise the past, present and future as we access the Akash through the map of the birth-chart for ourselves and others. We will discover how to work with transits and progressions to offer guidance and insight.

Lammas 3 & 4 August 2024: Stellar Cycles /Asteroid Archetypes

In this circle, we will learn how to utilise the ancient magic of the fixed Stars in our readings and teachings, as we attune to their cycles discover how to track their rising and setting. We will embody the wisdom of the Asteroid Goddesses, and learn how they affect the natal chart.

Mabon 7 & 8 September 2024: Saturn's Cycles of Soul & Stone

In this circle we will investigate Lady Saturn's Cycles of Maturation, and other Astrological Rites of Passage, such as the Uranus Opposition and Chiron Return. We will deepen our Knowledge of how the rhythms of Earth and Cosmos interrelate. **Online students attending in Glastonbury.**

Samhain 2 & 3 November 2024: Pluto's Cycles of Initiation

In the final circle before our dedication, we will once again look into the Obsidian Mirror of Shadows to face any fears we are still clinging to as we demonstrate and anchor all that we have learnt during the previous two years in a weekend of ceremony and integration.

Yule 7 & 8 December 2024: Reclaiming the Wisdom of the Star Priestess

In this final circle before our dedication, we will deepen our understanding of techniques of prediction and transformation used by the earliest Star Watchers. We will crystallise all of the knowledge we have gathered, as we weave together the threads of our future.

Dedication 25 & 26 January 2025: Self-Initiation as a Priestess of the Stars

In this final weekend, under the potent energy of a New Moon/Solar Eclipse in the sign of Sagittarius the teacher you will dedicate yourself to the Great Cosmic Mother in sacred ceremony. **Online students attending in Glastonbury.**
