Spiral Two 2027: Course Dates and Details

Spring Equinox, 13th & 14th March (Online)

Cycles of Awakening: Standing as our ancestors did, we rise to greet Sol as She initiates the Spring Equinox, as we prepare to begin a brand new cycle. We ignite our power to be awakeners of the Stellar Mysteries, teachers and ritualists of the ancient ways as we begin the second year of training.

Additional date for fully online participants: Saturday 8th May

Beltane 24th & 25th April (in-person)

Cycles of Venus/ Synastry of Love: As we enter the Season of Beltane, we dive deeper into the mysteries of Venus/Inanna's cosmic cycles and She moves through the Solar and Lunar Gateways. We will learn how to cast and read synastry charts, utilising the magic of astrology to heal our relationships, and open our hearts.

Litha 12th & 13th June (Online)

Awakening the Star Oracle/Cycles of Prediction: In this circle we will dive into the intuitive side of our psyche to awaken our ability to predict and prophesise the past, present and future as we access the Akash through the map of the birth-chart for ourselves and others. We will discover how to work with transits and progressions to offer guidance and insight.

Lammas 31st July & 1st August (Online)

Stellar Cycles /Asteroid Archetypes: In this circle, we will learn how to utilise the ancient magic of the fixed Stars in our readings and teachings, as we attune to their cycles discover how to track their rising and setting. We will embody the wisdom of the Asteroid Goddesses, and learn how they affect the natal chart.

Mabon 4th & 5th September (Online)

Saturn's Cycles of Soul & Stone: In this circle we will investigate Lady Saturn's Cycles of Maturation, and other Astrological Rites of Passage, such as the Uranus Opposition and Chiron Return. We will deepen our Knowledge of how the rhythms of Earth and Cosmos interrelate.

Samhain 30th & 31st October (In person)

Pluto's Cycles of Initiation: In the final circle before our dedication, we will once again look into the Obsidian Mirror of Shadows to face any fears we are still clinging to as we demonstrate and anchor all that we have learnt during the previous two years in a weekend of ceremony and integration.

Additional date for fully online participants: Saturday 13th November

Winter Solstice 4th & 5th December 2026 (Online)

In this final circle before our dedication, we will deepen our understanding of techniques of prediction and transformation used by the earliest Star Watchers. We will crystallise all of the knowledge we have gathered, as we weave together the threads of our future.

Dedication 22nd & 2nd January 2028 (In person in Glastonbury)

Self-Initiation as a Priestess of the Stars: In this final weekend, under the potent energy of a New Moon/Solar Eclipse in the sign of Sagittarius the teacher, you will dedicate yourself to the Great Cosmic Mother in sacred ceremony.
